Specifications

Highlights

Designed to reach every area

This specially-designed brush easily reaches every part of your face, including hard-to-reach areas like the creases of the nose.

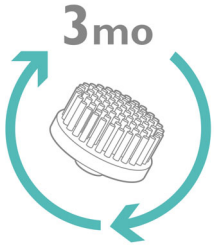
Sensitive skin cleansing brush

The specially designed filaments are even thinner and softer than those of the normal brush head, delivering an even softer and more delicate cleansing experience specifically for sensitive skin.

Click-on brush head

Click-on, click-off feature makes the brush head easy to replace.

Long lasting brush



For excellent skin-cleansing results, as well as the best hygiene, it is recommended that you replace the brush head every 3 months.
